

Queens Road Medical Practice

VACCINE PRICES at 8th March 2018

Please find listed below a guideline to prices of the most common vaccinations required. Please note there will be a consultation and an administration charge **in addition** to the cost of the vaccine and the States Health Benefit Grant is not claimable.

Please note the vaccine costs given below are only an indication – the Practice Nurse will be able to give you an exact costing.

All charges must be paid at the time of consultation.

Further information is available from the Practice Nurse
